Subject: Upper Animas

Steve/Paula,

Martin just called me to talk about Upper Animas. He observed that Rob Runkel from USGS is planning to present his work to ARSG in September. Martin very much wants Rob to do his presentation in August, ahead of our letter to Sunnyside inviting them to explore the broader watershed issues which he would like to go out in September. Martin wants us to set up a mtg w BLM and CDPHE to discuss our strategy and to get them on board with the letter to Sunnyside.

Deliberative Process/Ex. 5

Thanks!

Bill
